SECURITY AT SHOWS

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

PLEASE REMEMBER: THE SECURITY OF YOUR DOGS IS YOUR RESPONSIBILITY

PHOTOGRAPHY / VIDEO RECORDING

Anyone taking photographs or making videos for commercial use must pay a fee of £50 to cover the duration of show. Please go to the Secretary's office before the commencement of judging.

Anyone not complying with this rule will be asked to leave venue. If this comes to light after the show a charge will be sent for payment (non-payment will be referred to The Kennel Club).

 - 3) Best in Show: Best in Show must be selected from the Best of Group winners. Reserve Best in Show must be selected from the remaining Group winners following the selection of Best in Show.
12. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.

13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not to touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
14. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.
15. All dogs resident outside of the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
16. **Dogs in Vehicles on Hot Days.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered. **NO SPECTATOR DOGS ARE PERMITTED AT THIS SHOW.**
19. No modifications will be made to this Schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
20. **Power to Refuse Entries.** The Committee reserve to themselves the right to refuse any entries that they may think fit to exclude on reasonable grounds.
21. **Safety of Dogs.** The Committee will be most anxious for the care and safety of the dogs sent for exhibition, or any other property entrusted to them; but it must be distinctly understood by exhibitors and all other persons that the Committee will not be responsible for the loss, detention of, or damage to any dog, or other property, whether arising from accident, or other cause whatever, or from any act or omission of themselves, their officers, agents, servants or others, or the damage done by the exhibits to any person or property.
22. Should any question arise not provided for by these regulations or by the Kennel Club Rules and Show Regulations, the decision of the Show Committee thereon shall be final, subject only to appeal to the Kennel Club. All complaints or enquiries must be made in writing and left at the Secretary's office.
23. Every exhibitor making an entry or entries at or for this Show shall be deemed to have agreed to abide by the Kennel Club Rules and Show Regulations and by these Regulations, and it is on this understanding only that entries are received. Special conditions as to terms of entry and any alteration or condition imposed by an exhibitor, other than those printed in the Schedule cannot be accepted, any such alteration would render the entry void.
24. The owner, exhibitor, handler or other person in charge of a dog at Kennel Club licensed events must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This Regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event).
25. **PHOTOGRAPHY & VIDEO RECORDING:** The Organisers would like to bring the regulation on photography and filming to the attention of exhibitors, trade stands, press and visitors. It is a condition of all those attending the event that no filming or other form of recording may be taken or made at the venue without express written permission of the organisers. The taking of photographs in the show venue for sale or reward is strictly prohibited except with the written permission of the Organisers. Press accredited photographers are provided with permission to take photographs ONLY for use in newspapers, magazines and internet sites – this is for news purposes only. There is no objection to the general public taking photographs of general views of the show, provided that these are for private use. Specific dogs may be photographed only with the approval of the exhibitor. No photography or filming is permitted in breed judging rings whilst judging is actually taking place. However, judges may allow it to happen at the end of classes or after the Challenge Certificate is awarded. Filming and flash photography is allowed from outside the rings at all times unless the operation of the camera is actually affecting exhibits. However, if a powerful flash unit is used or it is clear that exhibits are being affected, a ring steward or the judge is empowered to stop the person concerned.

• DEFINITIONS OF CLASSES •

N.B. The word "dog" includes both sexes

PUPPIES UNDER SIX CALENDAR MONTHS OF AGE ARE NOT ELIGIBLE FOR EXHIBITION

In the following definitions, a Challenge Certificate includes any Show award that counts towards the title of Champion under the Rules of any governing body recognised by the Kennel Club. Wins at Championship Shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows. In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials each partner must at the time of entry be a member of the Society. In estimating the number of awards won, all wins up to and including the seventh day before the first closing date shall be counted when entering for any class i.e. **Thursday, 10th August 2023**. Wins in Variety classes do not count for entry in Breed classes but when entering in Variety classes, wins in both Breed and Variety classes must be counted. First prizes awarded in any classes defined as Special do not count towards eligibility.

If an exhibitor reports before the judging of a class or classes that a dog has been entered which is ineligible, the exhibitor may choose one of the following options:-

(1) *Withdrawal*

The dog may be withdrawn from competition subject to the conditions of Regulation F.(1).19.

(2) *Transfer*

- a) If a dog is ineligible for a class or classes as regards its breed, colour, sex, weight or height the Show Secretary shall transfer it to the equivalent class or classes for the correct breed, colour, sex, weight or height and, in the event of there being no equivalent class, Minor Puppy and Puppy excepted, to the Open class for the correct breed, colour, sex, weight or height.
- b) If an exhibit is entered incorrectly in a Minor Puppy class, Puppy class or Junior class, which is over age but under twelve calendar months of age, eighteen calendar months of age or twenty four calendar months of age respectively, the Show Secretary shall transfer the exhibit to the Puppy class, Junior class or Yearling class respectively for the correct breed, colour, sex, weight or height and in the event of there being no Puppy, Junior or Yearling class to the Open class for the correct breed, colour, sex, weight or height.
- c) For any reason other than the above, the Show Secretary shall transfer it to the Open class for the correct breed, colour, sex, weight or height.
- d) If an exhibit arrives late and misses a class, even if it is the only class in which the dog is entered, the dog may not be transferred to any other class.

ANY VARIETY NOT SEPARATELY CLASSIFIED For breeds of dog for which no separate breed classes are scheduled. These classes are not open to breeds which are listed on the Imported Breed Register.

IMPORTED BREED REGISTER For breeds confined to the Imported Breeds Register and only when an Interim Breed Standard has been published by The Kennel Club. Such breeds may be exhibited in this class with the Best Imported Register / Best Imported Register Puppy being eligible for Best in Group / Best Puppy in Group or Best in Show / Best Puppy in Show as relevant. Such breeds may be entered into Imported Breed Register classes and/or Any Variety or Stakes classes, with the exception of AVNSC classes, for which they are not eligible.

KENNEL CLUB BREEDERS' COMPETITION Each team will consist of a minimum of three and maximum of four dogs of one breed, all bred by the same breeder or breeding partnership. The breeder enters the class and then arranges which dogs are exhibited on the day of the show (from those dogs duly entered for exhibition in another class at this show). Please clearly state the name and affix of the registered breeder(s). Entries will not be taken on the day of the show. Teams will be awarded points/prize money in the KC Breeders' Competition as follows: Points 1st; 30; 2nd 15; 3rd 10; 4th 5. Prize Money 1st Non ABS Prize Fund £20; ABS Prize Fund £25. Please note that Assured Breeders will be credited with a higher prize value. These points will be recorded in the Kennel Club Breeders Competition record book through the year. The minimum qualification for the Crufts final will be 50 points, with a maximum of 40 finalists including the winning teams from the European and World Dog Shows' breeders competition. Our Dogs will collate the points and publish a leader board through the year. **Please Note: Dogs which take part in the Breeders' Competition, but are not entered in the show, are required to have a completed entry form. Owners of these dogs must attend the Secretary's office to complete the entry form.**

YKC MEMBERS' STAKES Only dogs of six (6) calendar months of age and over on the day of competition are eligible for entry into a YKC qualifying stakes class. Dogs must be on The Kennel Club Breed Register to compete in a YKC stakes competition. The YKC method for Crufts qualification is a points based system as follows: 1st Place = 30 points / 2nd Place = 15 points / 3rd Place = 10 points. If a member and dog combination accumulate 30 points or more, they will qualify for the relevant class at the following Crufts. Points will be allocated for the dog and handler pairing. All points are reset to 0 on 1st February each year. All pedigree dogs are eligible to take part provided the dog is registered on The Kennel Club Breed Register. The dog must be registered; a. solely or jointly in the member's name or b. in the name of a close member of the family (i.e a group of people related by blood or marriage) and under these circumstances the dog must be resident at the YKC member's address. No substitute handlers are permitted - the dog must be handled by the registered YKC member. Members are not permitted to allow another individual to show their dog at the qualifier on their behalf if they are not able to attend the class, unless agreed by the YKC Office prior to the show. Members must be aged 6-24 years (members 6 years and up to, but not including 25th birthday). Please note If you enter a Crufts qualifier and you have not previously paid your membership fee then any award will be forfeited. Therefore, it is important to renew and maintain YKC membership as current if you wish to participate in YKC competitions. Before competing, please view a full list of the YKC competition rules at: www.ykc.org.uk and follow the "for members" tab. These schedule rules must be read in conjunction with the most up to date YKC Stakes Rules found on the YKC website (www.ykc.org.uk).

YKC MEMBERS' HANDLING CLASSES Only dogs of six (6) calendar months of age and over on the day of competition are eligible for entry into an YKC qualifying class. Classes for handling are decided by the handler's age. The classes are divided into three age groups: 6-11 years (6 years and up to, but not including 12th birthday); 12-17 years (12 years and up to, but not including 18th birthday); 18-24 years (18 years and up to, but not including 25th birthday). Please enter the class age category you will be on the day of the qualifier. If you should move into the next age range after you have already qualified, the YKC will invite you into the correct age group at Crufts. The method for Crufts qualification is a points based system as follows: 1st Place = 30 points; 2nd Place = 15 points; 3rd Place = 10 points. Members will receive points per group (i.e. if they handle a bloodhound, they will get points towards the Hound group). If a member gets 30 points in any one group during the year, they will qualify to enter a dog from that group in the following year's YKC Handling Crufts classes. If a member gains 30 or more points in multiple groups, they may only compete with one dog at Crufts, but they will have the option to choose from any of the groups they have 30 or more points in.

YKC handling classes may be the first and only entry for a dog at this show. If, at this show, a dog is entered only into a YKC Handling class (i.e. that dog is not entered in a breed class or YKC Stakes class), that dog must be registered on either the relevant Kennel Club breed register or the Kennel Club activity register. If a dog is entered into YKC handling and any other class (i.e. a breed class or YKC Stakes class), that dog must be on the relevant Kennel Club breed register.

ANY VARIETY A Variety Class is one in which more than one breed or variety of a breed with a breed standard can compete.

ADVISORY NOTICE

Note to Exhibitors and Spectators: "Exhibitors and Spectators are reminded that just as Belfast Dog Show Society has a responsibility to ensure the health and safety of all those attending their event. All those present have a duty and responsibility for their own safety. They are therefore expected to take the greatest care to avoid all uneven surfaces, guy ropes, and other hazards, which are inevitable and integral element of a dog show. Those bringing and using portable items of equipment such as folding chairs, trolleys, cages, and grooming tables also have a responsibility to ensure that their tools, equipment and collapsible furniture is used and erected safely and does not constitute a hazard to others. Exhibitors are also reminded that they should wear appropriate clothing and footwear for the prevailing conditions on the site. Exhibitors show at their own risk if conditions are not ideal."

Showsurance 2023

PLEASE NOTE: THERE WILL BE NO BENCHING AT THIS SHOW

IMPORTANT INFORMATION REGARDING IDENTIFICATION OF DOGS

It is a Kennel Club requirement that exhibitors display the exhibit/bench number on their crate, cage or container at all times. This is particularly important when cages etc. are not on benches, and at unbenched shows.

Each exhibitor is responsible for providing their own crate or cage identification and should note that the original exhibit/bench number card, as provided by the show society, must not be used for this purpose.

It is important to be able to contact exhibitors and identify dogs where a dog may be in distress or where the crate might be blocking a gangway.

At benched shows soft crates may only be put on benches if they are the appropriate size for both the dog and the bench, and the crate can be securely attached to the bench.

Both of these points were introduced with the safety of all in mind, but most importantly that of the dog, and to minimise potential incidents and injuries.

PLEASE REMEMBER: THE SECURITY OF YOUR DOGS IS YOUR RESPONSIBILITY

SECURITY AT SHOWS

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

PLEASE REMEMBER: THE SECURITY OF YOUR DOGS IS YOUR RESPONSIBILITY
